Our Mission Statement....

The mission of Forgotten Felines and Fidos, a nonprofit, all volunteer, no kill animal organization in Germansville, PA, is to reduce the number of homeless, unwanted cats by offering a low- cost spay/neuter program and by working together with the community to help control the feline population.

We provide a supportive environment for all the cats at our shelter until they can be matched with their forever home, or shelter them for the rest of their lives, if necessary. In addition, we provide medical care for the sick and injured in a nurturing environment.

We are committed to educating feral colony caretakers and the general public on the humane treatment of feral cats. We offer a trap neuter release (TNR) program to encourage spaying/neutering and return to their natural habitat.

Our newsletters are mailed several times a year to our members. Newsletters are also posted on our website.

Monthly event updates are emailed to approximately 4,508 recipients.

Cats and kittens available for adoption are posted on our website, Petfinder, Adopt-a-Pet, Facebook, Twitter, Google + and The Shelter Pet Project.

Cats and kittens are featured in The Morning Call's "Pets of the Week" and Classifieds "Pet of the Day". Our cats also appear on WFMZ Furry Friends. Cats are regularly posted in the Northwestern Press.

All Community Partners are acknowledged on our website
