

MICROCHIPPING SAVES LIVES!

Give your pet the best chance to be reunited with you if they ever get lost.

1 IN 3 PETS GO MISSING IN THEIR LIFETIME.

Accidents happen—pets can slip out, get lost, or get stolen.

MICROCHIPS ARE PERMANENT ID.

Collars can fall off, but microchips last a lifetime and can't be tampered with.

MICROCHIPPED PETS ARE REUNITED 3x MORE LIKELY TO BE

Microchipped pets have a far better chance of coming home and reuniting with their loving families.

BEEP!

! ONE BIG REASON TO DOUBLE-CHECK YOUR REGISTRATION?

● Save This Life Microchip Registry Shuts Down!

Last year, the **Save This Life** microchip registry suddenly **shut down**, leaving many pet owners confused about whether their chips were still registered.

Check Where & Make Sure ALL of Your Info is Correct
