

QUESTIONS TO ASK ABOUT YOUR CAT'S BEHAVIOR

AT EVERY VET VISIT

- Does your cat urinate or defecate outside of the litter box?
- Does your cat spray by backing up to a surface? 
- Does your cat act aggressively - hissing, biting, or scratching at people or other animals? 
- Does your cat show signs of fear?
- Does your cat scratch furniture or chew on things? 
- Has there been any change in your cat's behavior? 

Discussing these questions with your vet can help detect behavioral issues early and keep your cat happy & healthy!
