

We Communicate

We communicate a few different ways with our supporters!

- A quarterly newsletter is mailed to all FFF members and posted on our website.
- A monthly email is sent out to FFF supporters with important updates and information
- Updates are shared via our social media pages on Facebook and Instagram.
- Our adoptable cats are listed on our website, Petfinder, and on our social media pages.

About Our Shelter

Forgotten Felines and Fidos, Inc. is a 501(c)(3) non-profit, all volunteer, no kill animal shelter located in Germansville, PA. We have been serving the Lehigh Valley and surrounding areas since 1994. We specialize in adoptions, low-cost spay/neuter clinics, community outreach and TNR support.

Our Mission

The mission of Forgotten Felines and Fidos is to reduce the number of homeless, unwanted cats by offering a low-cost spay/neuter program and by working together with the community to help control the feline population. We provide a supportive environment for all the cats at our shelter until they can be matched with their forever home, or shelter them for the rest of their lives, if necessary. In addition, we provide medical care for the sick and injured in a nurturing environment. We are committed to educating feral colony caretakers and the general public on the humane treatment of feral cats. We offer a trap neuter release (TNR) program to encourage spaying/neutering and return to their natural habitat.

Adoption

Adopting is a lifetime commitment, and we hope you can turn to a reliable organization. Our shelter is a no-kill shelter, the more pets we adopt out, the more cats we can take in to help find their forever homes. Our staff is very welcoming and patient and will work with you to find your perfect pet! Medical records provided showing FeLV tested, rabies & distemper(s) vaccinations, wormed, ears checked & flea treated, nails trimmed & a microchip is included.

TNR, Spay/Neuter Clinics

TNR, Spay/Neuter Clinics are held on most Tuesdays and Thursdays, for cats and small dogs, and require an appointment! We offer a feral trap rental program; and financial assistance for spay/neuter services for low-income families, with proof of income. Our clinics help generate funds for the shelter while helping the public neuter their kittens/cats at a reasonable cost.

Foster

Our foster care program is an essential part of Forgotten Felines and Fidos. Foster homes enable us to take in animals that are not able to be adopted due to the need for more socialization or lack of available space at the shelter. Providing foster care for an animal in need is a wonderful experience for you and your family because you are directly contributing to the welfare of animals. Foster care providers offer valuable insight into the animals' temperament and needs, and help us make a better adoption for these animals. Wags and purrs are a wonderful reward for your efforts!

Volunteering

Our shelter is an all volunteer shelter. We are always looking for more helping hands. Volunteering at our shelter is a rewarding experience and you can hear it in our cats' loving purrs! Joining our volunteer team is not only a way to give back, but you also meet many loving people with the same passion. We are flexible with scheduling and we will work to find what is best for you!
